Hestorest, That the President of the Resolvest, That the President of the people. United States and his servile partizans in and being convinced that North western Oh Congress, nided by emissaries in Kausas, was one of the Garden Spots of the world, as that it would settle up with remarkable rapidity upon which this city is mostly built. At that time foot-paths were worn around it, by persons who bad looked at the land. Mr. Hedges then pro-

cooled to the Land Office, and in 1830, at the Land Sales at Delaware, Ohio, he bought the land hed condemnation of all the American which was an subjected forest-a vast solitude-people. a tangled wild woods; -a spot where caks, stal wart lickeries, and towering sycamores occupie the places where now the spices of clogar robet, and fine public buildings rear their heads—where now stand fine private residences and splendid buildings, definated to burings— where thousands act a part, seeking a livelihood in a bundred different ways. Such were the changes that Mr. Hodges witnessed in our nor

debt forty millions of dollars, without any visible indications of a proposed remedy or a cessation of the evil, submit to the people to choose between the alternatives of National Bankruptcy or National Reform.

Resolved, That we invite all men of all most on a constant dr. Hodges witnessed in our now properties of the land in 1820. In 1822, the first stick of wood was cut upon the town plot of that portion of Tiffin, which is now known as the first ward. In the same year he creeted the first frame house upon the town plot, which is the old building known as the "old Masonic Hall," which was not to be a constant dr. Hodges witnessed in our now properties of the land in 1820. In 1822, the first stick of wood was cut upon the town plot of that portion of Tiffin, which is now known as the first frame house upon the town plot, which is the old building known as the "old Masonic Hall," which is now known as the first ward. ich eivaler between Fort Hall mom the men ward) as to which should be the county seat. By the persevering efforts of Mr. H., and by purchas-ing much of the property or the Fort Ball side, he succeeded in securing the location on the East (side. This was in 1828. He then went to work termined to effect the removal of the Uni States Land Onice, then located at Delaware, to this city. In this he was successful, and from that time enward, Tiffin has progressed rapidly in wealth and population. In 1831 Mr. Hedge was elegan, to represent this county, or the distrue of which this county was a portion, in the Ohio Legislature. He served one assion, bet preferred paying more attention to his own private affairs, and declined any further political

preferment.

Mr. Hedges in his younger day was a stort athletic, vigorous man, and retained to a remark able degree, in his old days, his manily sense and energy of usind, having up to his last and fata stack, transacted and managed his own busine dairs. He was generous and just in his de-ngs with his fellow men, and sumpallously be t .- bonevolent to all christian depond aving with one or two exceptions, denoted the was liberal towards all public improvements He was the TRIEND OF THE POOR, AS THAT OF THE citizens of our city can attest, who will remember his lesiency and Riodness towards them. Desiring what was his own, he was not grasping or avaricious, he was not cold and heartless; on the
